# FROM THE P+F

To say that the past two years has been interesting, is an understatement.

Not only have we all felt the impact in our homes and at our work, but our School Community has had two years of navigating and facilitating remote learning- which I think we need to celebrate our kids and Teaching Staff for all of their amazing resilience and work. It has not been easy!

That also means that it has been two years of not being able to welcome our new families, or to bring one another together to celebrate all those big and little things; from Grandparents Days to assemblies and everything in-between. Those who were able to attend the Easter Hat Parade, can't deny the excitement for our junior kids to have their parents on school grounds! It's hard to believe that for some of our kiddies, they have had two years of school and not experienced this before! These are special moments that not only fill our kids hearts, but they also give our families opportunities to meet one another, put faces to names and build up our School community.

Earlier this Term the P+F announced that our 2022 fundraising focus is a beautiful Grand Piano - not only a stunning item that our whole community can enjoy now and for a very long time to come; it will also tie in with the schools relaunch of the Music and Creative Arts Programs, which we are very excited to support.

As a committee we look forward to bringing everyone together, rebuilding the community and fostering support for the amazing programs that our beautiful school is building.

Following this letter are details on the Grand Piano and how you can support our Fundraising. On behalf of the Committee we look forward to welcoming everyone back and having some fun along the way.

Sarah C.

President, MAGS P+F

# GRAND PIANO

## THE GOAL

To be located on the Henderson Hall Stage, for both Junior and Senior School to enjoy.

P&F Fundraising Target:  
\$ 15,000

School Contribution:  
\$ 10,000

Includes:

- Grand Piano
- Piano Cover
- Piano Trolley
- Delivery & Tuning

# GRAND PIANO

## THE DETAILS

### The Grand Piano

Yamaha C3E grand Piano #5070207.  
Manuf. 1992.

### Piano Cover

Made of black canvas (waterproof) and lined with wool, the piano cover is made by a saddlery company so they use horse blanket as the liner.

### Piano Trolley

The adjuster at the front legs is screwed down to meet the floor and stops any bounce or wobble during heavy playing  
The red tag on the wheels is the click down brake - 2 wheels with brakes

The L shape on the frame at each leg allows for enough offset to be sure the pedals are still at the correct height despite the height of the larger wheels.
