GUIDELINES FOR STUDENT UNIFORM – SENIOR SCHOOL

The Macquarie uniform is smart and distinctive. The way that students wear their uniform is a powerful statement about their personal standards and by inference also a symbol of our school's corporate standards and aspirations. It is expected that students will wear their uniform with pride and distinction at all times.

Parents are urged to support our uniform policy by purchasing the correct uniform items and by ensuring that students come to school each day in full school uniform.

Senior School Uniform Monitoring

As outlined above there are clear expectations regarding uniform at Macquarie. If a student chooses to wear the uniform incorrectly on any given day they will be first spoken to regarding the nature of the uniform breach, which will then be recorded in Edumate by their Tutor.

Please note all uniform indiscretions will be noted on Edumate, visible through the parent portal. Students will receive a lunchtime detention for a uniform infringement. Three infringements in any given term result in an After School Detention. Parents will be notified via email. If these infringements continue parents may be required to meet with the Head of School or delegate.

Note: Sport uniform is considered incorrect if worn on a day in which the student does not attend timetabled PDHPE or sport lessons.
